

**How will my child be supported during learning outside the classroom such as school trips?**

All children regardless of SEND will be given the opportunity to take part in school trips etc. Risk assessments are carried out prior to any visit to ensure that all pupils will be kept safe. Whilst carrying out these risk assessments teachers will have in mind any children with SEND and will make modifications to allow these children to access. Any modifications or preparation for trips and visits will be discussed with you and your child before the activity.
