

Transition

At the end of each school year all children access 'shuffle up' days with their class. Additional transition arrangements are made for children who are new to the school.

Transition may include:-

- Meetings between teachers.
- Children meeting their new class teacher.
- Development of a package that will follow your child through to their next classroom. E.g. A communication package- up skilling of staff in the child's preferred communication mode.
- Home visits by school prior to start date.
- Visits to current setting.

In some cases children may require additional transition time, this will be decided by school in consultation with parents.
